

Metropolitan Water District of Salt Lake & Sandy
Board Packet Information
Last Update: October 12, 2009

Agenda Item: Consider approval of \$51,026 payment to Provo River Watershed Council (PRWC) for data collection to maintain water quality in the Provo River watershed.

Background: The PRWC consists of the following members:

- Wasatch County
- U.S. Bureau of Reclamation
- Central Utah Water Conservancy District
- Metropolitan Water District of Salt Lake & Sandy
- Metropolitan Water District of Orem
- Metropolitan Water District of Provo
- Jordan Valley Water Conservancy District
- Utah Department of Environmental Quality
- Rushforth Phycology

The members meet quarterly to discuss water quality monitoring and management practices of the Provo River watershed. This has been an on-going effort since 1985. As a result of discussions at the PRWC meetings, an Annual Agreement for Water Quality Monitoring and Management Study for Provo River Watershed is put together and the cost shared by members of the PRWC. The service period of this Agreement is from July 1, 2009 through June 30, 2010. A copy of the contract is available for review.

The District's monetary contribution for the above period is \$51,026.

Recommendation: Staff recommends that the board approve the expenditure in the amount of \$51,026.
